

What is SAP Warning?

Last Modified on 04/22/2020 12:52 pm MDT

Students who fail to meet the minimum [SAP \(Satisfactory Academic Progress\)](#) standards at the end of a trimester will be placed on SAP Warning for one trimester. While on SAP Warning, students will need to work with their Success Counselor to put a plan in place to support the student returning to good academic standing. While on SAP Warning, students will be unable to self-register for future courses. **Financial aid students in SAP Warning status remain eligible for Title IV funds.**

- Students on SAP Warning who achieve the minimum required SAP standards at the end of their next trimester will be placed back into good standing.
 - Students on SAP Warning who do not achieve the required SAP standards at the end of their next trimester will be placed on [SAP Probation](#).
