

Honors Designations

Last Modified on 05/04/2020 12:57 pm MDT

CSU-Global Honors

Graduate students who complete their degree with CSU-Global and have a GPA of 3.97 or greater will have an honors designation when they receive their degree (undergrad students, please see [Latin Honors](#)). If eligible for CSU-Global honors, graduate students can order honor cords through [Jostens](#) when ordering their cap and gown.

CSU-Global has also partnered with a few other honors societies. If students are eligible for these honors societies, they will receive invitations with instructions on how to become a member.

Click below for information on the other honor societies:
