

Orientation Modules

Last Modified on 08/02/2018 9:52 am MDT

These orientation modules are a powerful resource for you no matter what point you are at in your education with us. We know you live a busy life so each video briefly covers specific information from a wide range of topics including Student Life, Understanding the Academic Calendar, Career Navigation Services, and much more.

A list of all orientation modules can be found [here](#).
