How to Make a Tuition Payment

You have a two options for making tuition payments towards your account balance, see below:

Option 1: Through Your Student Portal:

1. Select the **My Account and Financial Aid** tab

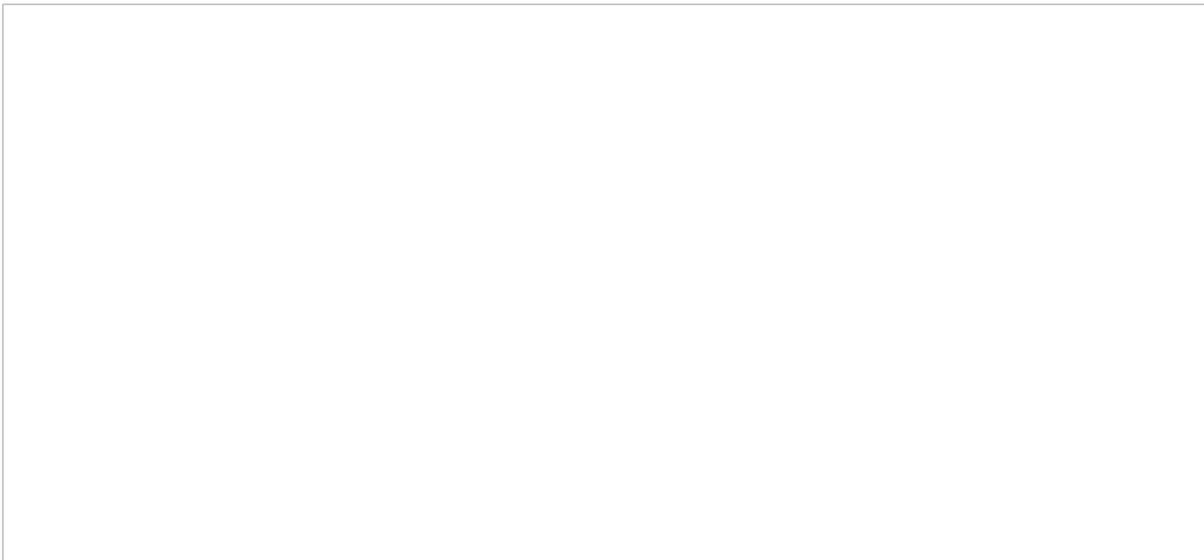

□

2. Click the **Pay My Tuition** button on the next page & select the option applicable to you:

□

U.S. Students:

3. Click the **Make a Payment** button at the top of the screen, this will open CashNet.
4. Next, click **Make a Payment** button at the bottom of the screen.
5. To make a payment less than the full amount, update the number in the **Amount** box. Then click **Continue** at the bottom of the screen and follow the steps to submit your payment.

- Outstanding balances are separated by term. Scroll through the balances and type in the amount you wish to pay.

- Full or partial payments can be made using a credit card or EFT/ACH.

- Once the payment amount is correct, click on the **Checkout** button in the bottom right corner.

□

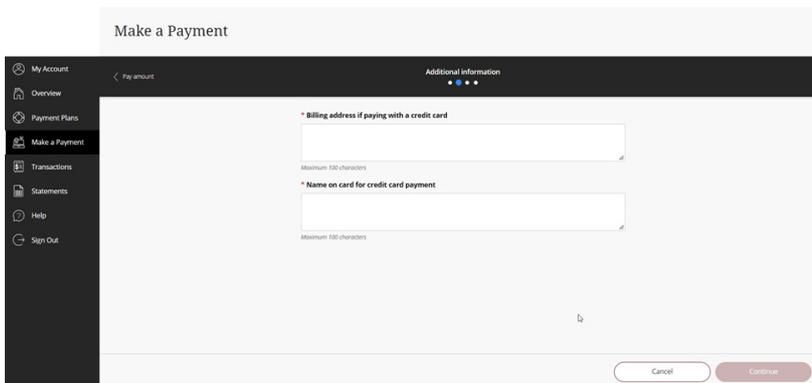

If using a credit card, please enter the fields below.

Please note: There is a **2.85% processing fee** when paying with a credit or debit card. If using another form of payment, enter "N/A" in these fields to move forward.

If using direct electronic payments from a checking or savings account (ACH Payment), select the "New Bank

Account" option when making your payment. Information can be saved in your account for future payments, if desired. **There is no fee processing fee when making an ACH payment.**

Note: When prompted to verify the name & address for your card, please enter "N/A" to move through to the next screen.
