

Is there a summer trimester?

Last Modified on 01/23/2024 4:08 pm MST

CSU-Global does not have an official "summer" trimester, but we do hold classes all year round. Our trimesters include Fall, Winter, and Spring options. The summer season often overlaps with CSU-Global's spring & fall trimesters.

Please see the **Calendar** tab in your Student Portal for your specific track. There you can see important updates as well as a link at the bottom of the page to download a PDF of the calendars (or download your calendar below). You can also access both calendars from the [CSU Global main webpage](#).
