Yes, we do have a couple 1 credit hour **undergraduate** course options. The course numbers and titles are listed below, please see the [academic catalog](#) for course descriptions.

### 4 week long 1 credit hour courses:

- LIB300: Research in the Information Age

*Please note: Final grades for this course won't post until the end of the full 8 week term.*

### 8 week long 1 credit hour courses:

- BIO121L: Environmental Conservation Lab

\*\*\*There are no 1 or 2 credit-hour courses at the graduate level.
