

Can my employer pay my tuition?

Last Modified on 02/17/2023 10:51 am MST

Yes, your employer or a third-party may pay your tuition. They have several options on how to make a payment on your behalf.

1. If your employer would like to pay by check, please see [CAN I PAY WITH A CHECK?](#)
2. If they would like to pay by credit card, please follow the below instructions on how to set them up with a PIN to log in and pay through the CashNet portal.

1. In the Student Portal, Click the My Account and Financial Aid folder, then click Pay My Tuition. This will take you to the CashNet payment portal.

My Account and Financial Aid

Bank Mobile	Financial Aid Advisor Contact Information
Financial Aid	Name: [REDACTED]
Student Loan Calculator	Email: [REDACTED]
FAFSA Verification	Account Status
Student Invoice	Account Balance: \$0
My 1098T	Account Status: Standard
Shopping Sheet	Financing Option:
Pay My Tuition	View Account Details

2. Next, click on Make a Payment on the Student Tuition Balance screen:

Student Tuition Balance

[Make a Payment](#)

3. This will open a new window/tab, taking you to the Transact Overview page:
4. 
5. Click on My Account, at the top of the left-side menu.

(If clicking the link does not work, please copy and paste the information into your browser.)

3. If your employer or third-party would like to set up a direct billing option, please contact your Student Advisor to learn more about that process.

4. If your employer offers tuition reimbursement, you may qualify for a tuition deferment. Visit our [website](#) for more information on employer reimbursement.
