Your 1098-T is available through your Student Portal no later than January 31st each year. You must give (or have previously given) electronic consent to be able to download the 1098-T through the portal, otherwise they will be mailed to your address on file.

Eligible non-citizens must contact Student Accounts to request their 1098-T.

You can access these through your student portal by clicking on **My Account and Financial Aid** and then on **My 1098T** under **Account Links**.

Please contact Student Financial Services at 855-212-6700 or studentaccounts@csuglobal.edu if you have not received or are not able to access your 1098-T.
