

What does it mean if I'm selected for verification?

Last Modified on 02/20/2026 9:58 am MST

The Department of Education selects a random sample of students for a FAFSA review process called verification. The purpose is to find and resolve errors or conflicting information entered into the FAFSA. If you have been selected for verification, no worries! At CSU Global, the verification process has been streamlined and takes place through Student Forms, which you can access through the Student Portal by clicking on the My Account and Financial Aid tab followed by "FAFSA Verification:"

If this is your first time logging into Student Forms, you will need to create a new account. You'll want to enter your information exactly as it was entered into the FAFSA. You will be instructed to use your CSU Global email address and will be able to enter using single sign-on in the future.
