

I submitted my FAFSA, when will you get it?

Last Modified on 02/18/2026 8:59 am MST

It can take 3-5 business days for CSU Global to receive the information from your FAFSA (when filed electronically). Please allow this timeframe for processing. If any further documentation is needed, or if the application was selected for [Verification](#), you will receive an email from Student Financial Services (financialaid@csuglobal.edu).
