

I submitted my FAFSA, when will you get it?

Last Modified on 05/11/2022 8:53 am MDT

It can take 3-5 business days for CSU-Global to receive the information from your FAFSA (when filed electronically). You can see the status of your FAFSA review by CSU-Global in the Documents tab in your student portal.

If any further documentation is needed, or if the application was selected for [Verification](#), you will receive an email from our Financial Aid department.
