What is Financial Aid?

Last Modified on 09/09/2025 1:26 pm MDT

Financial aid is money to help pay for college. This money, in the form of grants, loans, and scholarships can help make college more affordable. We encourage you to review the types of aid made available by the U.S. Department of Education (ED).

The funding from ED is available to help studentspay for school. You can apply for financial aid by filling out the FAFSA for the aid year in which you wish to receive funding. You may be approved for grants and / or loans depending on your financial situation. Please keep in mind that only undergraduate degree-seeking and undergraduate certificate-seeking students are eligible for the Pell Grant.

Note: CSU Global does not allow students to utilize Canadian financial aid or obtain financial aid using the Colorado Application for State Financial Aid (CASFA).
