How do I transfer credits?

To have previous college credits evaluated for transfer, please have official transcripts from your institutions sent to CSU-Global:

CSU-Global Campus

Attn: Transcripts

585 Salida Way

Aurora, CO 80011

Electronic transcripts can be sent to Admissions@csuglobal.edu.

Once received, the Degree Audit and Articulation team will review and apply any applicable credit. Once applied, you will receive an email notifying you that your degree progress has been updated. You can see the credit reflected on your unofficial transcript in your portal. From your portal homepage, click on the **View Unofficial Transcript** box and then download your unofficial transcript.

When considering transferring in credits please keep in mind there is a limit to how many credits you may transfer in. If you have any questions regarding these limits please reach out to your student success counsleor.

For more information, please visit the Transfer Credit Policies section in the academic catalog.
