

## How long does it take for transcripts to be evaluated?

Last Modified on 03/18/2024 6:41 am MDT

Once CSU Global has your **official** transcripts on file, they will be evaluated by our transcript team within 3 business days. If you are a current student, you will receive an email letting you know that your degree progress has been updated and can be reviewed in your student portal.

To see which courses have transferred into your program, you can view your **unofficial** transcripts by clicking the "View Unofficial Transcripts" link towards the bottom of the student portal homepage.

Please contact your [Success Counselor](#) if you have any questions or feel there has been a delay in your transcript review.
