

When will I get my diploma?

Last Modified on 05/09/2022 10:17 am MDT

Diplomas are mailed out through the US Postal service to the address we have on file for you approximately 8-10 weeks after your degree is conferred. Your degree is conferred within 30 days after the last day of your final class. Diplomas will not be mailed if you have a balance on your account.

See [How do I apply for Graduation?](#) for more information.
