

Do I qualify for the Pell Grant?

Last Modified on 11/03/2022 1:52 pm MDT

Some **undergraduate** students that do not have a prior Bachelor's degree may be eligible for a Pell Grant. This is determined by your FAFSA results each year based on financial need and expected family contribution (EFC). Specific Pell Grant awards are also determined by your enrollment status each trimester (full time vs. halftime). The amount awarded each term will be based on the number of credits taken. Please contact your advisor to discuss your specific Pell Grant award.
