

## Do I Qualify for the Pell Grant?

Last Modified on 02/06/2025 1:02 pm MST

Some **undergraduate** students that do not have a prior Bachelor's degree may be eligible for a **Pell Grant**. This is determined by your **FAFSA** results each year based on financial need and **Student Aid Index (SAI)**. Specific Pell Grant amounts are also determined by your enrollment status each trimester (full time vs. halftime). The amount awarded each term will be based on the number of credits taken. Please contact Student Financial Services to discuss your specific Pell Grant award.
