Half-time and full-time [Enrollment Status](#) is determined on a trimester to trimester basis:

As an **undergraduate** student, you must complete 6 credit hours within the trimester to be considered half-time and 12 credit hours within the trimester to be considered full-time.

As a **graduate** student, you must complete 3 credit hours within the trimester to be considered half-time and 6 credit hours within the trimester to be considered full-time.
