## When is an R2T4 Balance Due?

As with all balances, payment is due as soon as possible but may be deferred based on different circumstances. For example, students who have a balance due to an [R2T4](#) calculation may be able to [defer](#) payments if they have additional Financial Aid arriving within the same [academic year](#) (though this is not guaranteed).

Due to how complicated the R2T4 process can be, we ask that you contact your Student Success Counselor and your Financial Aid Advisor directly to inquire about deferments and due dates for your balance.
