Last Modified on 07/31/2018 3:09 pm MDT

If you ever need to change your refund preference with BankMobile, you will need to log into your BankMobile account by visiting <https://www.vibeaccount.com/>

Here you will be able to see your current refund preference as well as instructions on changing your preference.

NOTE: Please be aware that any changes made to your refund preference only affect future refunds and not refunds that have already been disbursed to your account.
