Keep in mind that each CSU Global course is worth 1000 points. Throughout the course, you will not see an assigned letter grade. One will not be assigned until the final grade is submitted by your instructor at the end of the course.

Canvas Gradebook:

From your canvas course, select "Grades" at the left. From here, you can view all individual assignments and their grades and point totals, as well as a breakdown of your grades by assignment type and overall score.
