CSU Global understands the financial investment necessary to complete your degree. To reduce as much cost as possible, we've partnered with several businesses to offer our students and alumni discounts on commonly used items. Just sign up with your CSU Global email address to take advantage of these deals.

A list of all discounts can be found in your Student Portal under the **Community and Student Life** link > **Being a Golden Eagle section**> **Student Discounts** or click [HERE](#) to be taken directly there.

You also can order a [student ID card](#) from your student portal to take advantage of student discounts in your area.
