## Where do I go to order a tassel?

Students will receive information on purchasing regalia in an email confirmation when they register for the commencement ceremony. You can also find all regalia information in your student portal under Community and Student life > Commencement.

A tassel will be included along with the cap and gown. There is an option for bachelor's or master's tassels. Students will be able to purchase honor cords as well. All regalia is ordered through [Jostens](#).
