

What is a Live Session?

Last Modified on 05/05/2022 10:47 am MDT

What is a Live Session?

- Students are given the opportunity to synchronously interact with their instructor and classmates at various times throughout the course
 - Instructors host a live session through Zoom (pre-loaded with a PowerPoint) to guide discussion
 - Each session is scheduled for one hour
 - It is not mandatory for students and is worth 0 points
 - Instructors will record each session so that students may view them later
-
