Can I receive an Amazon Prime Discount?

CSU-Global students can join Amazon and receive a 6 month free trial! Once the free trial is over, you will still be eligible to receive 50% off on Amazon Prime for four years or until you graduate, whichever comes first! This is for all students and you can find more information by going to [Amazon Prime for students](#).

Current Amazon Prime members that sign up for Prime Student will receive a refund for the remaining months left on their current Amazon Prime subscription! If your @csuglobal.edu email isn't listed on your Amazon.com account, that's okay. The only email Amazon will send to your csuglobal.edu e-mail address is the verification email.

Amazon Prime offers free 2-day shipping on many products including some textbooks and access to Amazon Instant Video, among other features.
