

Wiley CPA and CMA Review Courses

Last Modified on 05/04/2022 6:04 pm MDT

Wiley CPAexcel and CMA Gold Review Course

The Wiley review and preparation courses utilize course materials and learning tools with the most up-to-date study text, video lectures, professor mentoring, textbooks and more to prepare you for the CPA and/or CMA exam.

Advantages of Wiley Review Courses:

- No time limit on access
- Continuously updated to meet new exam requirements
- Primarily self study but includes professor mentoring
- Discounted pricing off of list price for CSU Global students

As a CSU Global student you have the opportunity to purchase Wiley CPAexcel online [CPA preparation tool](#) and [CMA Gold Review course](#) at a discounted rate. Please go to <https://www.efficientlearning.com/partner/csug> for more information about the program or for ordering and be sure to use your CSU Global email address when purchasing.

Accounting courses are needed in order to sit for these exams

Please note that partnership discounts are subject to change
