Does CSU-Global have the Yellow Ribbon Program?

CSU-Global is not an approved Yellow Ribbon school because we are a State Institution that does not charge out-of-state Tuition.

Yellow Ribbon is a benefit offered to Chapter 33 (Post 9-11) GI Bill students who are 100% covered. If a student were to run out of VA funding for the year, a Yellow Ribbon school would agree to cover the rest of the tuition.

Since the program costs at CSU-Global are low and typically completely covered by VA benefits, there is not a need for the Yellow Ribbon program.

More information about Yellow Ribbon and schools that offer the program can be found at the following link;
