CSU Global has partnered with OnlineDegree.com to offer an additional pathway for undergraduate students to complete your degree at a lower cost. We are able to accept up to 44 credits from OnlineDegree.com courses to fulfill elective credit requirements in your program.

Additionally, students who have completed two (2) courses with OnlineDegree.com and transfer those credits during the enrollment process are eligible for a 10% tuition discount. Currently enrolled students are not eligible to receive the discount.

It is always important to let your Student Advisor know of any transfer credit you plan to utilize, so they can ensure your eligibility.
