The CSU Global Student Help Center is an extensive collection of articles that provide information about a wide variety of topics to help students. If you have a question about something relating to your education at CSU Global, searching the Help Center is a great place to start.

To access the Student Help Center, go to the Student Portal home page and select "Help Center" from the left-side menu.

From here you will find detailed information on all of CSU Global's school policies, including student rights, academic expectations, enrollment status, credit and grading system, academic progress, financial services, financial aid, student payment, communication and privacy, technology, and Canvas and the online classroom. You can also enter a general search using a key word or phrase in to the search bar in the top right corner.

If you can't find what you are looking for in the Help Center your student success counselor is your main point of contact at the university and can always help with questions or concerns.
