CSU Global's Disability Services Office collaborates with instructors and staff to create effective, equitable, and inclusive learning environments so that qualified students may achieve their educational goals. CSU Global Disability Services is available to assist students with disabilities through the process of requesting and establishing academic accommodations.

If you need or want to request accommodations, go to the homepage of the student portal and click on Disability Services on the left hand side of the screen. This will take you to the disability services website where you can read about and request support. If you have an immediate need, you can contact Disability Services by calling 720-279-0650 or emailing [ADA@csuglobal.edu](mailto:ADA@csuglobal.edu).
