## Degree Progress Details (DPA)

### Navigating Your Degree Progress: A Guide to the Conclusive Degree Auditing System

Understanding your path to graduation is essential for staying on track. The **Conclusive Degree Auditing system** provides a real-time, visual breakdown of your academic journey at CSU Global. Use this guide to master your audit and plan your future terms.

#### The Dashboard: Your Academic Overview

When you first log in, the Home Screen provides a high-level summary of your progress toward your **Bachelor of Science**.

- **The Progress Wheel:** This shows your total percentage of completion toward the 120-credit requirement.
- **Status Breakdown:**
  - **Complete (Dark Blue):** Credits you have already earned.
  - **Scheduled (Light Blue):** Classes you are registered for in future terms.
  - **In Progress (Orange):** Classes you are currently attending.
- **Bar Graphs:** These break down your progress specifically for **General Education**, your **Major**, your **Specialization** (if applicable) and your **Electives**.

**Pro Tip:** If you just registered for classes and don't see them reflected yet, click the **little cloud icon** at the top right of the screen to refresh and update your audit data.

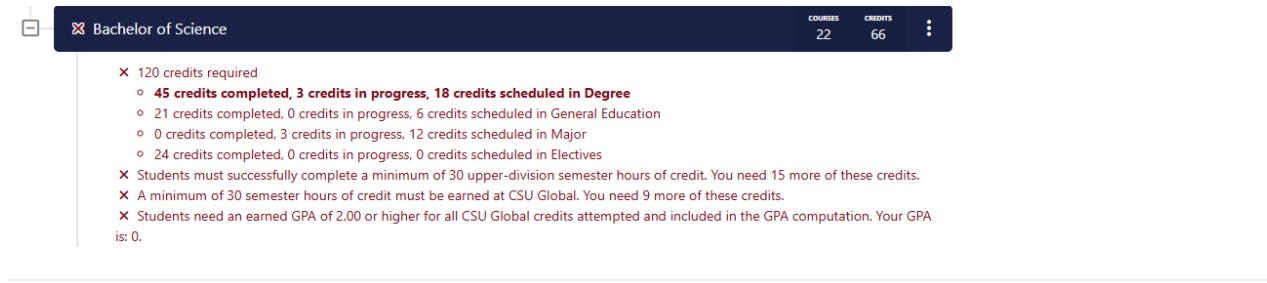

#### Navigating the Full Audit

To see exactly which classes you've taken and what's left, click "View full audit" at the bottom of the dashboard or click on any of the specific bar graphs.

## Program Requirements Summary

At the very top of your full audit, you will see a summary of your program's "big picture" requirements. This includes your total credit count, your GPA (which must be 2.0 or higher), and specific residency requirements (credits that must be earned specifically at CSU Global).

The screenshot shows a summary of Bachelor of Science requirements. It includes a list of requirements with status icons (Red X for incomplete), course counts, and a GPA of 0.0.

COURSES	CREDITS
22	66

Requirements:

- 120 credits required
- 45 credits completed, 3 credits in progress, 18 credits scheduled in Degree
- 21 credits completed, 0 credits in progress, 6 credits scheduled in General Education
- 0 credits completed, 3 credits in progress, 12 credits scheduled in Major
- 24 credits completed, 0 credits in progress, 0 credits scheduled in Electives

Students must successfully complete a minimum of 30 upper-division semester hours of credit. You need 15 more of these credits.

A minimum of 30 semester hours of credit must be earned at CSU Global. You need 9 more of these credits.

Students need an earned GPA of 2.00 or higher for all CSU Global credits attempted and included in the GPA computation. Your GPA is: 0.

## Understanding Audit Symbols & Course Lists

As you scroll through the audit, pay attention to the status icons next to each requirement:

### Status Icons

- Green Check Mark: The item is fully satisfied.
- Yellow Diamond: The requirement is currently in progress or scheduled.
- Red X: The requirement is unsatisfied and still needs to be completed.

### Course Abbreviations

On the right side of the listed classes, you will see codes indicating the status of that specific course:

- SCH:** Scheduled (You are registered for a future term).
- IP:** In Progress (You are currently taking this class).
- PC:** Planned Course (A placeholder for a future requirement).

**Important Note on Planned Courses (PC):** You may see a Red X next to a planned course. **Do not click to remove or change these** without checking with your Success Counselor first. These placeholders are often specifically placed to tie classes to your degree plan for certain majors or to account for degree exceptions.

CRJ 465 - Crime Scene Investigation (CSI)	SP/26	0 *	PC*	
HSM 420 - Legal and Ethical Issues in Human Services	SP/26	0 *	PC*	
MGT 475 - Strategic Innovation and Ideas	SP/26	0 *	PC*	
MKG 330 - Consumer Behavior	SP/26	0 *	PC*	
MKG 420 - Digital Marketing	SP/26	0 *	PC*	
ORG 405 - Principles and Practices of Effective Leadership	SP/26	0 *	PC*	

## Identifying Needed Courses

Each section of your degree plan lists the specific courses required. To make it easy to see what's left:

- **Bolded Courses:** These are courses you have already completed, are currently in, or are scheduled for.
- **Non-Bolded Courses:** These are the classes you still need to take.

Required Courses: CRJ **300, 305, 310, 330, 335**, 420, 425, 440, 480; ORG 300 ([show course titles](#))

## General Education Sections

In General Education, the audit often lists many "Course Options." You **do not** need to take every class listed. You only need to fulfill the specific number of credits required for that section (e.g., "At least 2 courses required").

Arts & Humanities		COURSES	CREDITS
◆ At least 2 courses required.		2	6
<small>COURSE</small>			
●	ENG 130 - Introduction to Literature (GT-AH2) - 2026 Spring-A	TERM SP/26	CREDITS 3
●	TRART 01 - TR - Arts and Humanities Elective 1 <sup>T</sup>	TERM TR/00	CREDITS 3
<a href="#">Course Options:</a> COM 200; ENG <b>130</b> ; HUM 101 ( <a href="#">show course titles</a> )			

## Elective Credits

The Electives section shows the total number of elective credits you still need to reach 120. Unlike your Major requirements, you have the freedom to pick any college-level courses that interest you to fill these slots.

Electives		COURSES	CREDITS	⋮
<small>✗ Elective courses required. You need 35 more credits.</small>				
8	24			

**Need more help?** If you have questions about a specific "Red X" on your audit, your Success Counselor is available to do a deep-dive review with you!
